

Reach Regulation 1907/2006/EC

Declaration of conformity

Herewith we confirm that, to the best of our knowledge, all constituents covered by the regulation 1907/2006/EC in the products supplied by Polykemi Group¹, have been registered at the European chemical agency (ECHA).

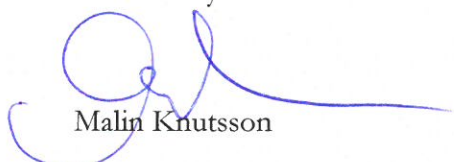

The monomers and applicable constituents of thermoplastic compounds containing recyclates, sold through Polykemi Group, have been registered by the respective legal entities.

Additionally, all products manufactured by Polykemi Group conform to the Annex XVII part of the REACH regulation. Polykemi Group also continuously monitor the recommendations for the inclusion of substances in Annex XIV to REACH made by European Chemicals Agency and will take appropriate action if any of its products are found to be affected.

This information is provided in good faith and believed to be accurate.
