LED STRIPES-FLEX

General Information

|                 |                             |
|-----------------|-----------------------------|
| Material number | 97926                       |
| Type            | bar / strip light           |
| Product segment | Indoor                      |
| Theme           | sonstige / nicht zuordenbar |

Dimensions

|                        |               |
|------------------------|---------------|
| Article Height (in mm) | 3             |
| Article Width (in mm)  | 10            |
| Article Length (in mm) | 5000          |
| Net Weight             | 0.93 Kilogram |

Material & Colour

|                    |             |
|--------------------|-------------|
| Enclosure Material | plastic     |
| Enclosure Colour   | transparent |

Functionality

|              |                                                                                  |
|--------------|----------------------------------------------------------------------------------|
| Switch Type  | plug-in transformer/driver                                                       |
| Function     | remote control incl.<br>LED not replaceable<br>control via remote control<br>CCT |
| Battery      | Yes                                                                              |
| Battery Type | CR2025                                                                           |

# 97926

## LED STRIPES-FLEX

### Technical Information

|                   |                  |
|-------------------|------------------|
| Protection Degree | IP44             |
| Protection Class  | 2                |
| Mains Voltage     | 220-240V,50/60Hz |
| Operation Voltage | 12V              |
| Dimmable          | Yes              |
| max. Wattage (1)  | 17W              |

### Illuminant 1

|                                   |                                                                                  |
|-----------------------------------|----------------------------------------------------------------------------------|
| Socket Type (1)                   | LED                                                                              |
| Illuminant Type (1)               | LED                                                                              |
| Illuminant incl. (1)              | Inclusive                                                                        |
| Nominal Luminous Flux (in lm)     | 1000                                                                             |
| Colour Temperature                | 3000K, 7000K                                                                     |
| Nominal Lifetime (in h)           | 20000                                                                            |
| Switching Cycles                  | 15000                                                                            |
| Colour Rendering Index (Ra, CRI)  | >80                                                                              |
| Energy Efficiency Class           | LED - A+                                                                         |
| Dimmable                          | Yes                                                                              |
| Function                          | remote control incl.<br>LED not replaceable<br>control via remote control<br>CCT |
| Rated Lamp Power (0,1W precision) | 17                                                                               |
| Colour Tolerance (LED, SDCM)      | <6                                                                               |
