

MOTOR OPERATOR 24-60 V DC ACCESSORY FOR: 3VA2  
400/630

| Model                     |                                    |
|---------------------------|------------------------------------|
| product brandname         | SETRON                             |
| Product designation       | Accessories                        |
| Design of the product     | Motorized operating mechanism (MO) |
| Mechanical Design         |                                    |
| Height                    | 92 mm                              |
| Width                     | 137.6 mm                           |
| Depth                     | 149 mm                             |
| Net weight                | 1 310 g                            |
| Connections according IEC |                                    |
| Wire stripping length     | 7 mm                               |
| Certificates              |                                    |

| General Product Approval                                                          | EMC                                                                                      | Declaration of Conformity                                                                     | other                         |
