TOOLS FOR THE PROFESSIONAL

# Tools for the Professional

**Product Catalogue** 1 October 2013 – 31 March 2014

Arrow Fastener Company is a leader in manual, electric and cordless fastening tools for both the professional and DIY user. Founded in New York City in 1929, Arrow quickly became synonymous with its flagship staple gun, along with its full range of T50® staples. Building on the success of the heavy duty T50® staple gun, Arrow now markets a full line of electric and manual staple guns and brad nail guns as well as rivet tools, glue guns, and hammer tackers and a full line of consumables to match.

With over 80 years of experience in innovative design and manufacturing of fastening tools for a wide variety of applications ranging from upholstery and crafting projects to carpet, flooring and roofing jobs, the Company has earned its reputation as a well established and trusted supplier of durable, reliable and affordable fastening products. Following our traditions and goals for continuous improvement, Arrow Fastener is always looking to innovate the category through best in class features, style and functionality that exceeds consumers' expectations.

**T50 The World's best selling staple gun**

## Glue Guns & Glue

### TR550 Lever Feed Glue Gun

- Non-drip nozzle
- Check valve controls glue flow
- Built in drip tray-stand
- Lever feed reduces hand fatigue
- High volume melt chamber for even application
- Uses Arrow high temperature/low temperature all purpose & slow set

|         |            |
|---------|------------|
| Part No | List Price |
| ATR550  | £23.32     |

### TR200 All Purpose Glue Gun

- Non-drip nozzle
- High impact/high temperature housing
- Built in safety stand
- Contoured design for perfect balance
- Uses Arrow high temperature/low temperature all purpose & slow set wood working Glue sticks

|         |            |
|---------|------------|
| Part No | List Price |
| ATR200  | £16.50     |

### MT100 Mini Glue Gun

- Compact and easy to use
- Non-drip nozzle
- High impact/high temperature housing
- Built in safety stand
- Contoured design for perfect balance
- Uses Arrow high temperature/low temperature all purpose & slow set wood working Glue sticks

|         |            |
|---------|------------|
| Part No | List Price |
| AMT100  | £7.30      |

### Round Mini Glue Sticks

| Part No | Material    | Size (Inches) | Size (Millimetres) | Pack Size   | List Price |

## Rivet Tools & Rivets

### RHT300 'Twister' Rivet Tool

- Unique twistable head rotates 360 degrees
- All-steel construction
- Hi-viz non-slip grip
- Extended nose for extra reach
- 4 nose pieces with wrench
- Spring loaded handle for easy loading
- Uses RSA 2mm/3mm/4mm/5mm diameter rivets

Part No                      List Price  
ARHT300                      £20.07

### RH200 Professional Rivet Tool

- All-steel construction
- Hi-viz non-slip grip
- Extended nose for extra reach
- 4 nose pieces with wrench
- Spring loaded handle for easy loading
- Uses RSA 2mm/3mm/4mm/5mm diameter rivets

Part No                      List Price  
ARH200                      £15.47

### RL100S All Purpose Rivet Tool

- All-steel construction
- Changeable nose piece
- Extended nose for extra reach
- Spring loaded handle for easy loading
- Uses RSA 3mm/5mm diameter rivets

Part No                      List Price  
ARL100S                      £10.69

### ARL100K Rivet Tool Kit

- ARL100S All purpose Rivet Tool
- 25 x  $\frac{3}{16}$ " Rivets
- 25 x  $\frac{1}{8}$ " Rivets
- Custom moulded carrying case

Part No                      List Price  
ARL100K                      £14.95
